

A Human Focussed Table of Action

Our human focussed action table details how we will achieve our vision to create opportunity for Housing, Community, Business and You the individual.

It's human focussed because people are the core of each action. The table details which directorate is responsible and when it will be achieved by.

Creating opportunity for you – the individual by:

Action	Responsible	When
Developing staff talent to continue delivery of first class services	ALL	Yearly
New centralised Head Office benefitting residents, staff and partners	ALL	2016
